Office Workers Provide Smooth Operation

The efficiency of a school is partly attributed to the duties and functions performed by our office personnel. Maintenance of accurate records and efficient bookkeeping is necessary for the smooth operation of a school.

Carter has been especially fortunate to have an excellent staff of office personnel to fulfill these responsibilities.

Social Studies Links Past With Present

A working and understanding knowledge of the past helps us to understand the present and work for a better future. Carter has been fortunate to have a social studies department that not only reveals the story of the past but also encourages active involvement on the part of the individual as it is his past, his present, and his future.

Languages Bridge Communication Gaps

Modern, up-to-date equipment and practical classroom usage aid Carter students in their attempts to become fluent in foreign languages. Students hear a variety of native voices on tapes and are able to record and play back various lab exercises, enabling each student to compare his own pronunciation, intonation, and rhythm of speaking to that of the native speaker. Through the process of repetition, recording, and playing back, each student is able to develop according to his ability.

Latin, German, Spanish, and French are taught by audio-lingual methods. Students are aided in effective composition and translation by being taught the grammar and spelling of the new language.

"Will you join me in a round of the Appalacia Two Step?"

"I wonder how come Mr. Lichtenwald won't let us dress this way everyday?"

No! No! Don't come any closer.

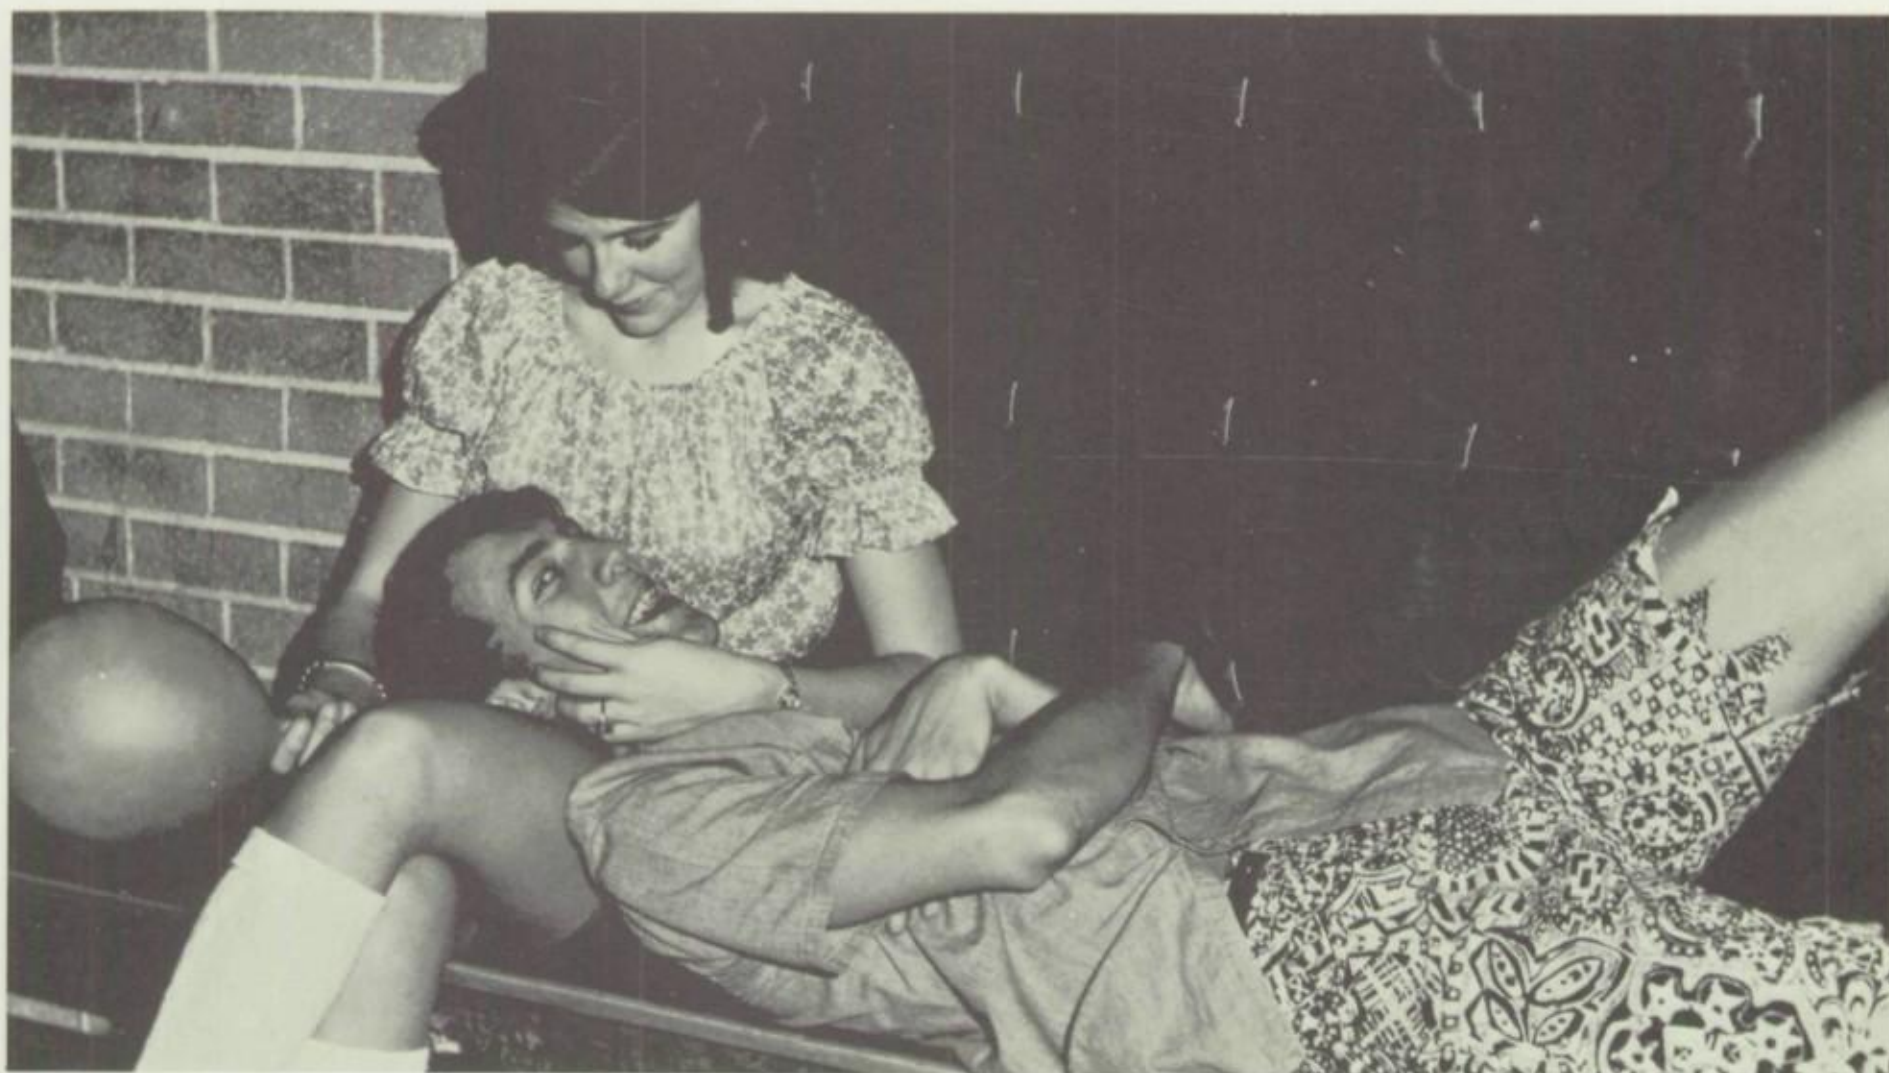

On February 13, 1970, the Junior Class sponsored the Sadie Hawkins Dance. Everyone danced to the sounds of the "Grace." The dance took place in the girls gym from 7:30 to 12:00. The theme was Lil Abner.

"Heard any White Anglo-Saxon Protestant jokes lately?"

"I'll close my mouth if you'll open your eyes!"

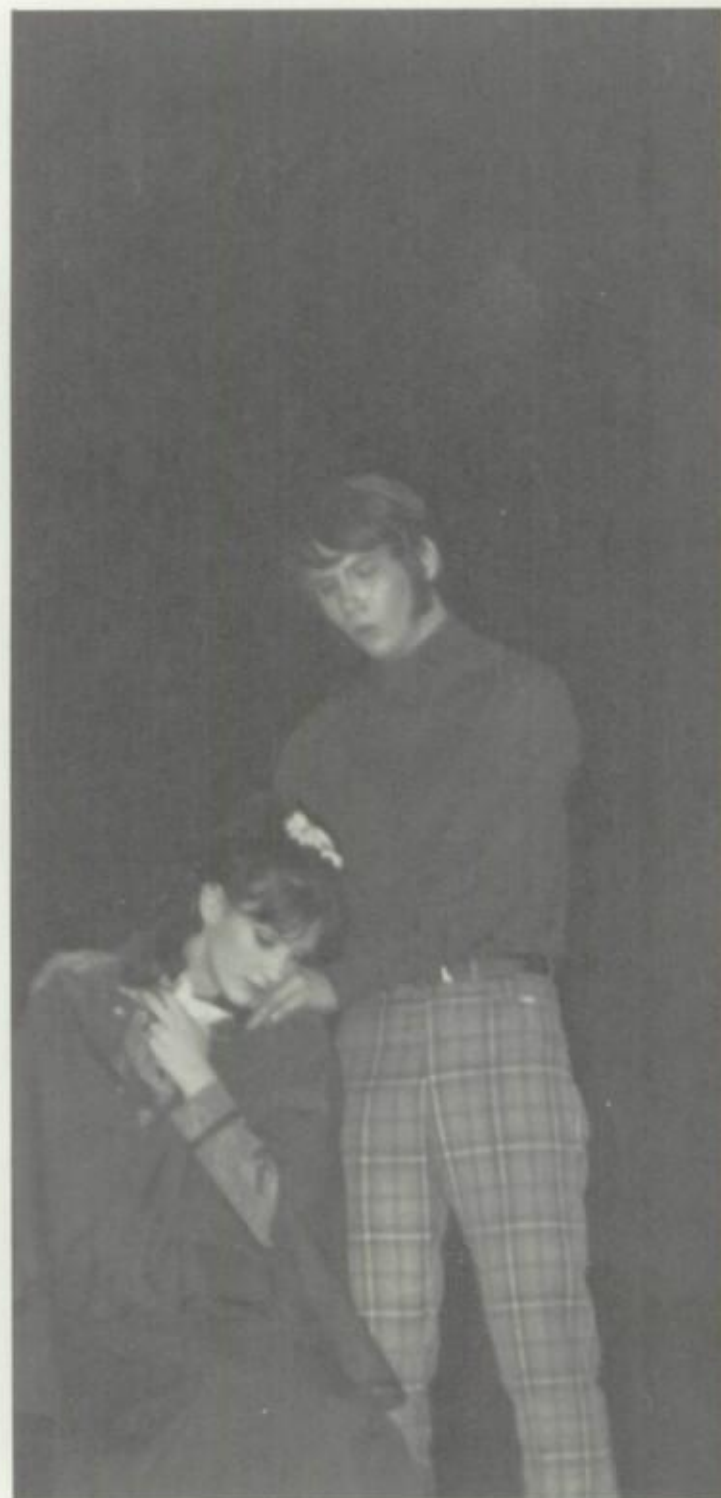

Sadie Hawkins has more in store than just a free date!

"Carousel"

The David W. Carter Concert Choir presented Rodger's and Hammerstein's "Carousel" for the 1970 musical. Capacity crowds came to the March production to see a story of love and tragedy.

In the 1870 setting on a New England coast, Julie Jordan (Gail Stutts) meets Billy Bigelow (John Lively) and soon falls in love with him. Both never freely express this love until Billy kills himself out of desperation and failure.

Brought back to earth by his Heavenly friend (John Prewitt) Billy tries to repay his debts to his family. He offers his love to his daughter Louise (Vicki Glass) and finally, for the first time, tells Julie that he loved her. Billy returned to Heaven. The storm was ended and the sweet silver song of the lark was heard in the golden sky.

Billy sings "If I Loved You" to Julie.

Jigger (Bill Lambert) shows Carrie (Jackie Slinkard) how firemen carry people.

"What's the use of wond'rin."

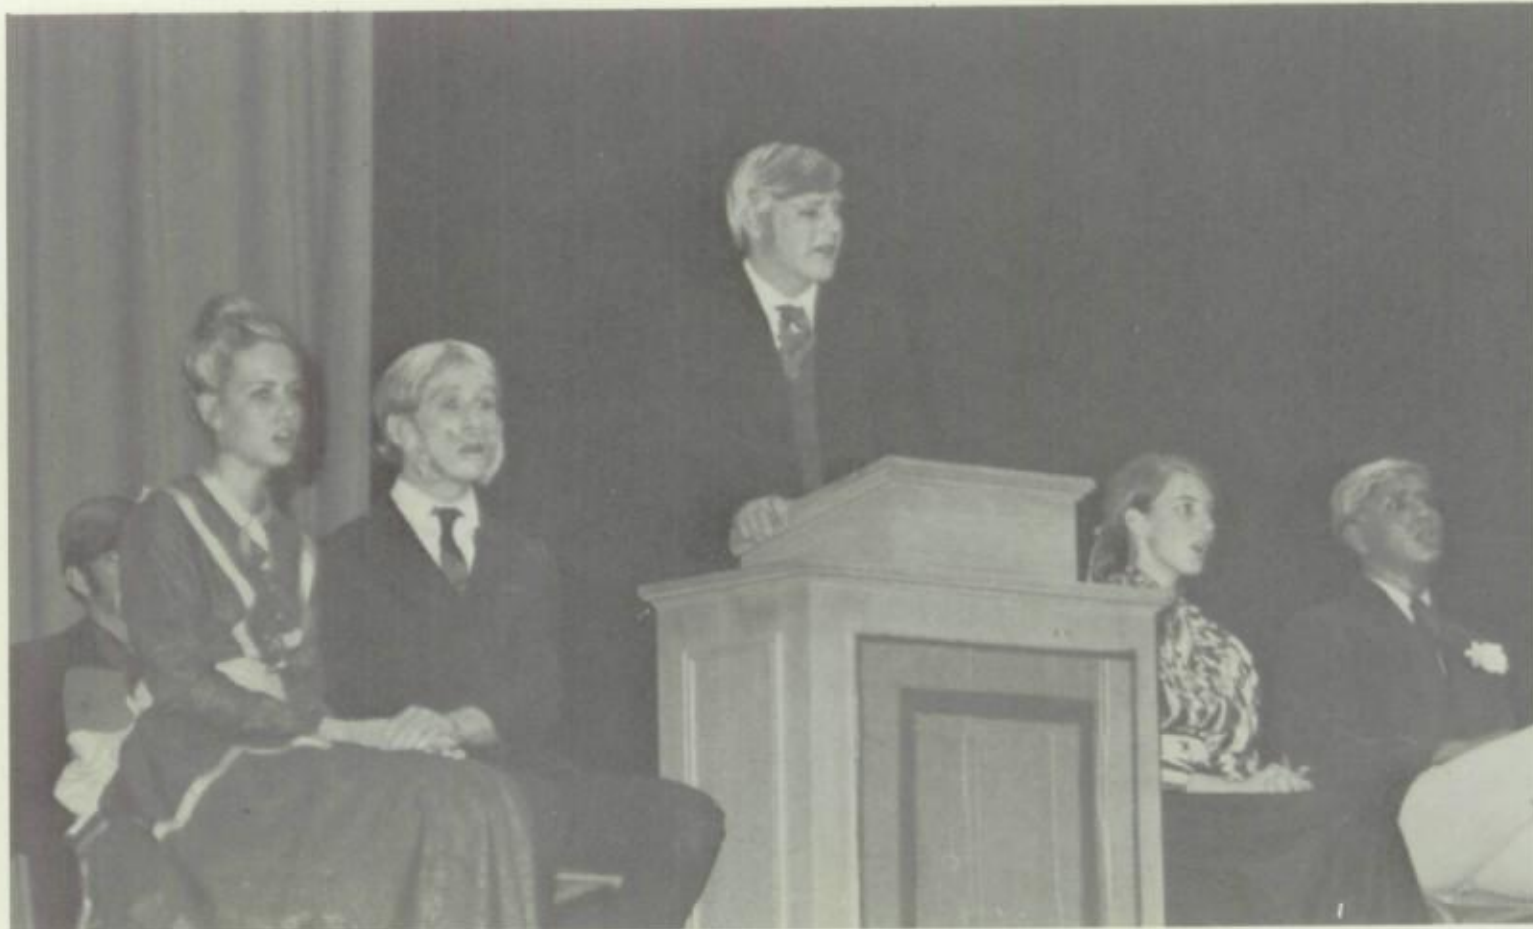

"June is bustin out all over."

Billy and Jigger pass away the time as they wait for Mr. Bascombe.

Nettie (Shellie Chancellor) sings "You'll Never Walk Alone."

Dr. Seldon (Mark Stoddard) calls for the graduates in the final scene.

The Heavenly Friend (John Prewitt) shows disgust at Billy's stubborn will.

1970 Military Ball

The 3rd Annual Military Ball of the Carter ROTC Battalion with a theme of "Red, White, and Blue" was held on 13 March 1970, in the girls' gym.

The military ball is a pageant combined with dancing that is a traditional activity of the military. It is formal in its attitude, with the cadets wearing their Army Green uniform with white shirts and black bow ties, while the young ladies normally wear long formal gowns.

The highlight of the annual event is the announcement of the Queen of the Military Ball, who is chosen from among the Corps Sweethearts, of which there were six this year. The queen, Miss Edith Hale, a senior, was crowned in the traditional coronation ceremony, and then led the Grand March around the ballroom, which culminated with her leading off the official dancing with the Battalion Commander.

The cadets, assisted by the girls in PE decorate the gym and the dais for the queen's throne to transform the gym into a lovely setting for the ball, and this year the music of the Lancaster High School Stage Band of 22 members made the event a tremendous success.

Though little realized, the purpose of the military ball is to actually train the cadets in the amenities of a formal social situation, and is part of the activities of the Corps. Of course, the cadets have a gay time in this training along with their dates, and all are looking forward to next year's military ball.

The Student Council members were installed in an official ceremony where His Honor, Eric Jonson, delivered the keynote address. Some fifteen special guests were invited for the ceremony and reception honoring the Student Council.

'The Glass Menagerie'

This year's senior play, which was presented in November, was "The Glass Menagerie." The play revolves around four characters. Amanda, the mother, was played by Jan Rayner Thursday evening and Jackie Slinkard Friday evening. Tom, the restless son, was played by Gary Bellomy. Laura, the shy and timid daughter, was played by Vickie Glass Thursday evening and Jennie Pace Friday. Jim, the gentleman caller, was enacted by Rob Demurs.

The story takes place in the early 1920's. Amanda Wingfield, during her youth a southern belle, is still living in the past. Her fantasies have caused unhappiness and driven her husband away. Now her persistence to live in the past is affecting her son and daughter.

"Laura, your main problem is an inferiority complex."

"Oh, Laura, our only chance of happiness is gone forever."

"That's right, Mother, I'm going to the movies."

"All my gentlemen callers were men of position and prestige."

"Here's a little dandelion wine."

"Don't you dare talk to me like that!"

1970 Round-Up Staff

Mr. Upchurch points out a good layout to editors.

Class editors select best pictures for layouts.

Diane types write-ups for activities section.

Jennie keeps track of advertisements.

John provides pictures for the annual.

This year Carter is proud to have an excellent annual staff. Larry Reaves, Editor, attended workshops in August at Texas A & M and brought back many new ideas for the annual. The staff attended a convention at the University of Texas at Austin in March. At the convention they learned techniques in making a better yearbook.

To be on the Round-Up Staff you must maintain a "B" average throughout the year. Each person is assigned a special task such as drawing layouts, taking pictures, copy writing, or typing quadruplet copies.

Some staff members don't work too much.

Staff workers draw layouts and compose write-ups.

1969-70 Wrangler Staff

The WRANGLER, Carter's newspaper, is published monthly. Ranging from 4-12 pages, the staff encompasses members of the Journalism class and newspaper session and interested writers from the school. The staff consists of an editor-in-chief, associate editor, page editors, reporters, cartoonist, and business manager.

Cost of the WRANGLER is defrayed through sales of subscriptions, advertising space, and single issue copies.

The WRANGLER is a member of the Texas High School Press Association, Quill and Scroll, and Interscholastic League Press Conference.

The Student Council Keeps Carter Going

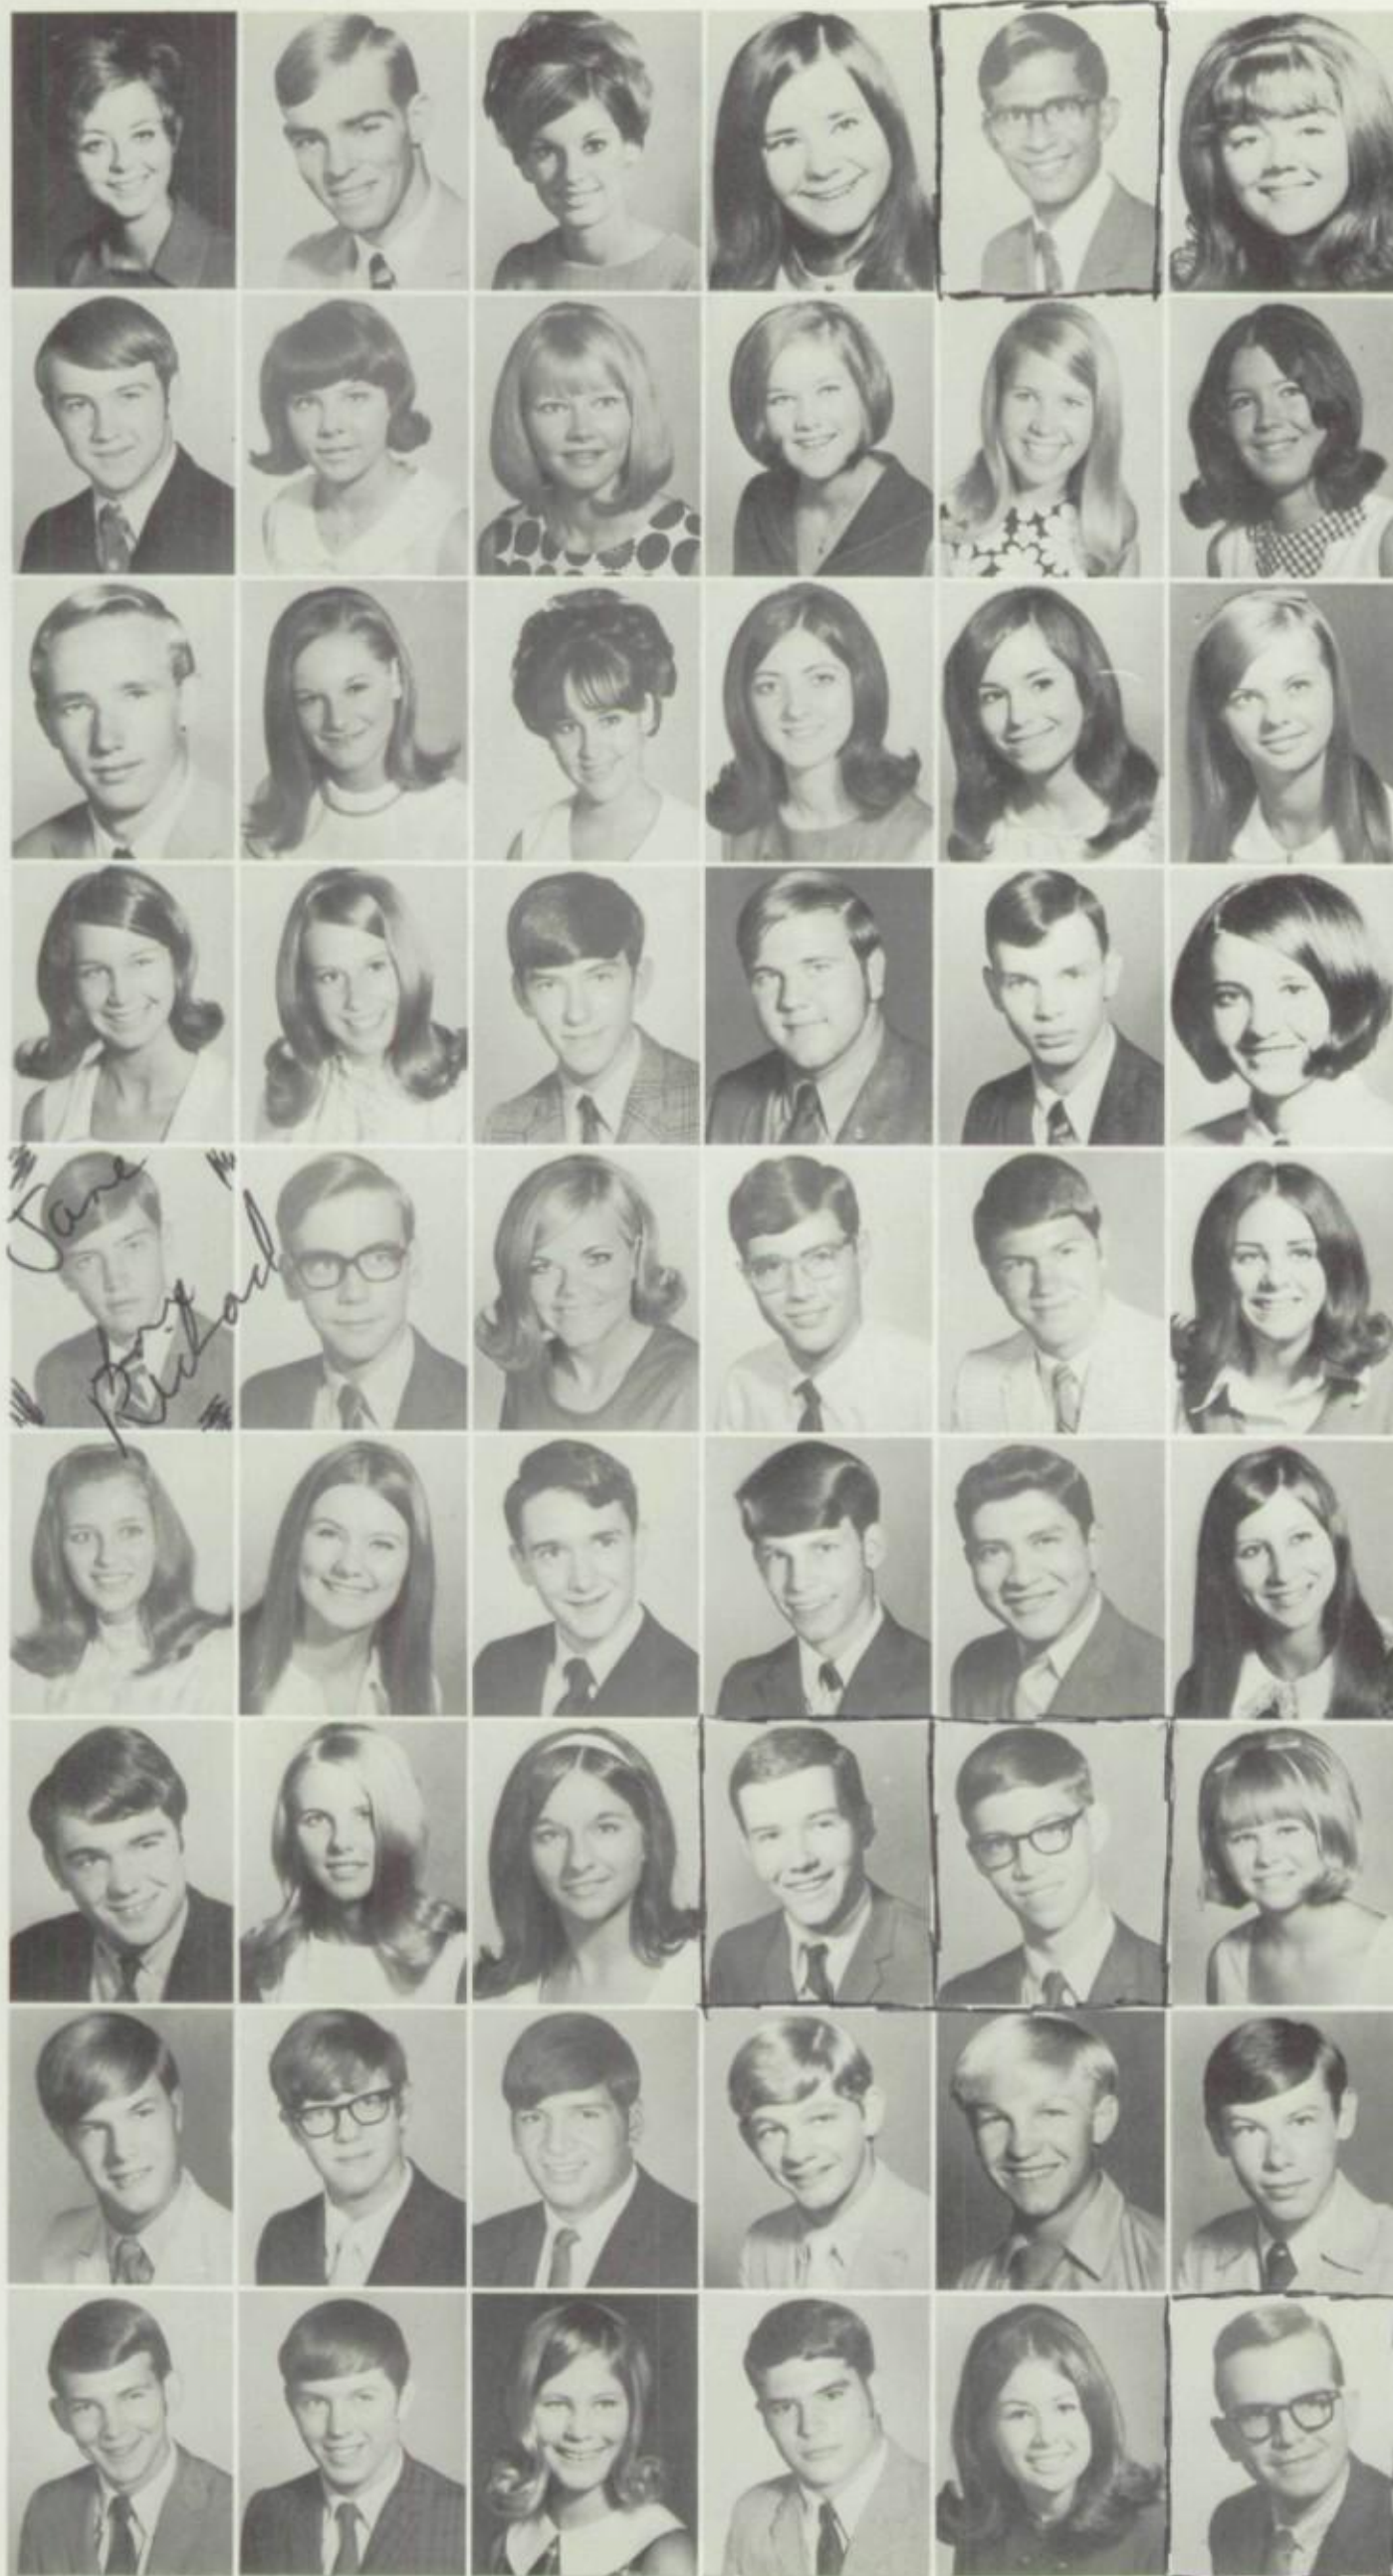

The David W. Carter Student Council was established for the purpose of governing and serving the students and student body. At the beginning of each school year one student and one alternate is elected from each homeroom by his classmates, to represent them in the Council. The representative listens to their wants and needs and brings them before the Council. The Student Council makes up the Student Directory and pays for the printing each year. It also makes up the Orientation program each year for new sophomores. The Student Council sponsors the Homecoming Dance and Spring Formal each year. They are responsible for the Thanksgiving and Christmas projects for needy families. During this time food is collected from the student body and taken to needy families throughout the greater Dallas area. The Student Council is responsible for the "Student of the Month" award, which is awarded to good students who deserve recognition for their hard work. The Student Council is a busy, hardworking organization and they are always looking for ways to improve Carter, and keep it the great school it is. The things it accomplishes and the duties and responsibilities it has are important for a successful year at David W. Carter High School.

Key Club

As an organization, the Key Club is dedicated to service for the school and the surrounding community. The Club performs a series of service projects throughout the school year. In an effort to clean up the school the Key Club has placed trashcans at various points in the school. Perhaps the biggest project for 1970 was to present a career day assembly offering information on a wide variety of occupations. Key Club meetings are also spent in programs on various aspects of our modern world. Key Club and similar organizations can do much, through public service, to shape the world of the future.

Traffic Safety

The purpose of Traffic Safety is to further and improve the safety of the school and the community. This year we have tried to improve the parking situation in the student parking lot; tried to control the breakage of glass on the parking lot and improve the smoking areas. We are also working on putting sidewalks on Wheatland, and widening it, hoping to improve the traffic and safety around the school.

November 11th, nine members attended the annual Traffic Safety Convention at Southern Methodist University. The group discussions were on Narcotics, Safety Education, and Safety Enforcement.

Calicos 69-70

Calico means cowgirl in French. The David W. Carter Calicos are proud to have carried this name for four years. Their purpose is to promote school spirit, attend all school functions, and set a high standard for others to follow. The organization is composed of a chosen group of girls with a vigorous desire to serve. They are led by a selected group of officers and by the best sponsor, Mrs. Hubert.

The newly honored officers abandon their care-free days to start grueling training at summer camp. After summer camp they return to their homeland to pass their Newfound experiences on to their Calico charges.

Their basic training; however, only leaves them with the ground rules from which they spend many explosive and mindbending hours originating their own style for their routines.

Equipped with anything from tamborines to hoops the girls performed show class routines thru football season to the sounds of Aquarius and Basin Street Blues and many others. They were seen anywhere from manipulating themselves into their formation of a hat to performing in parades in Downtown Dallas.

With memories aglow the Senior Calicoes give their final outstanding performance during the spring training game.

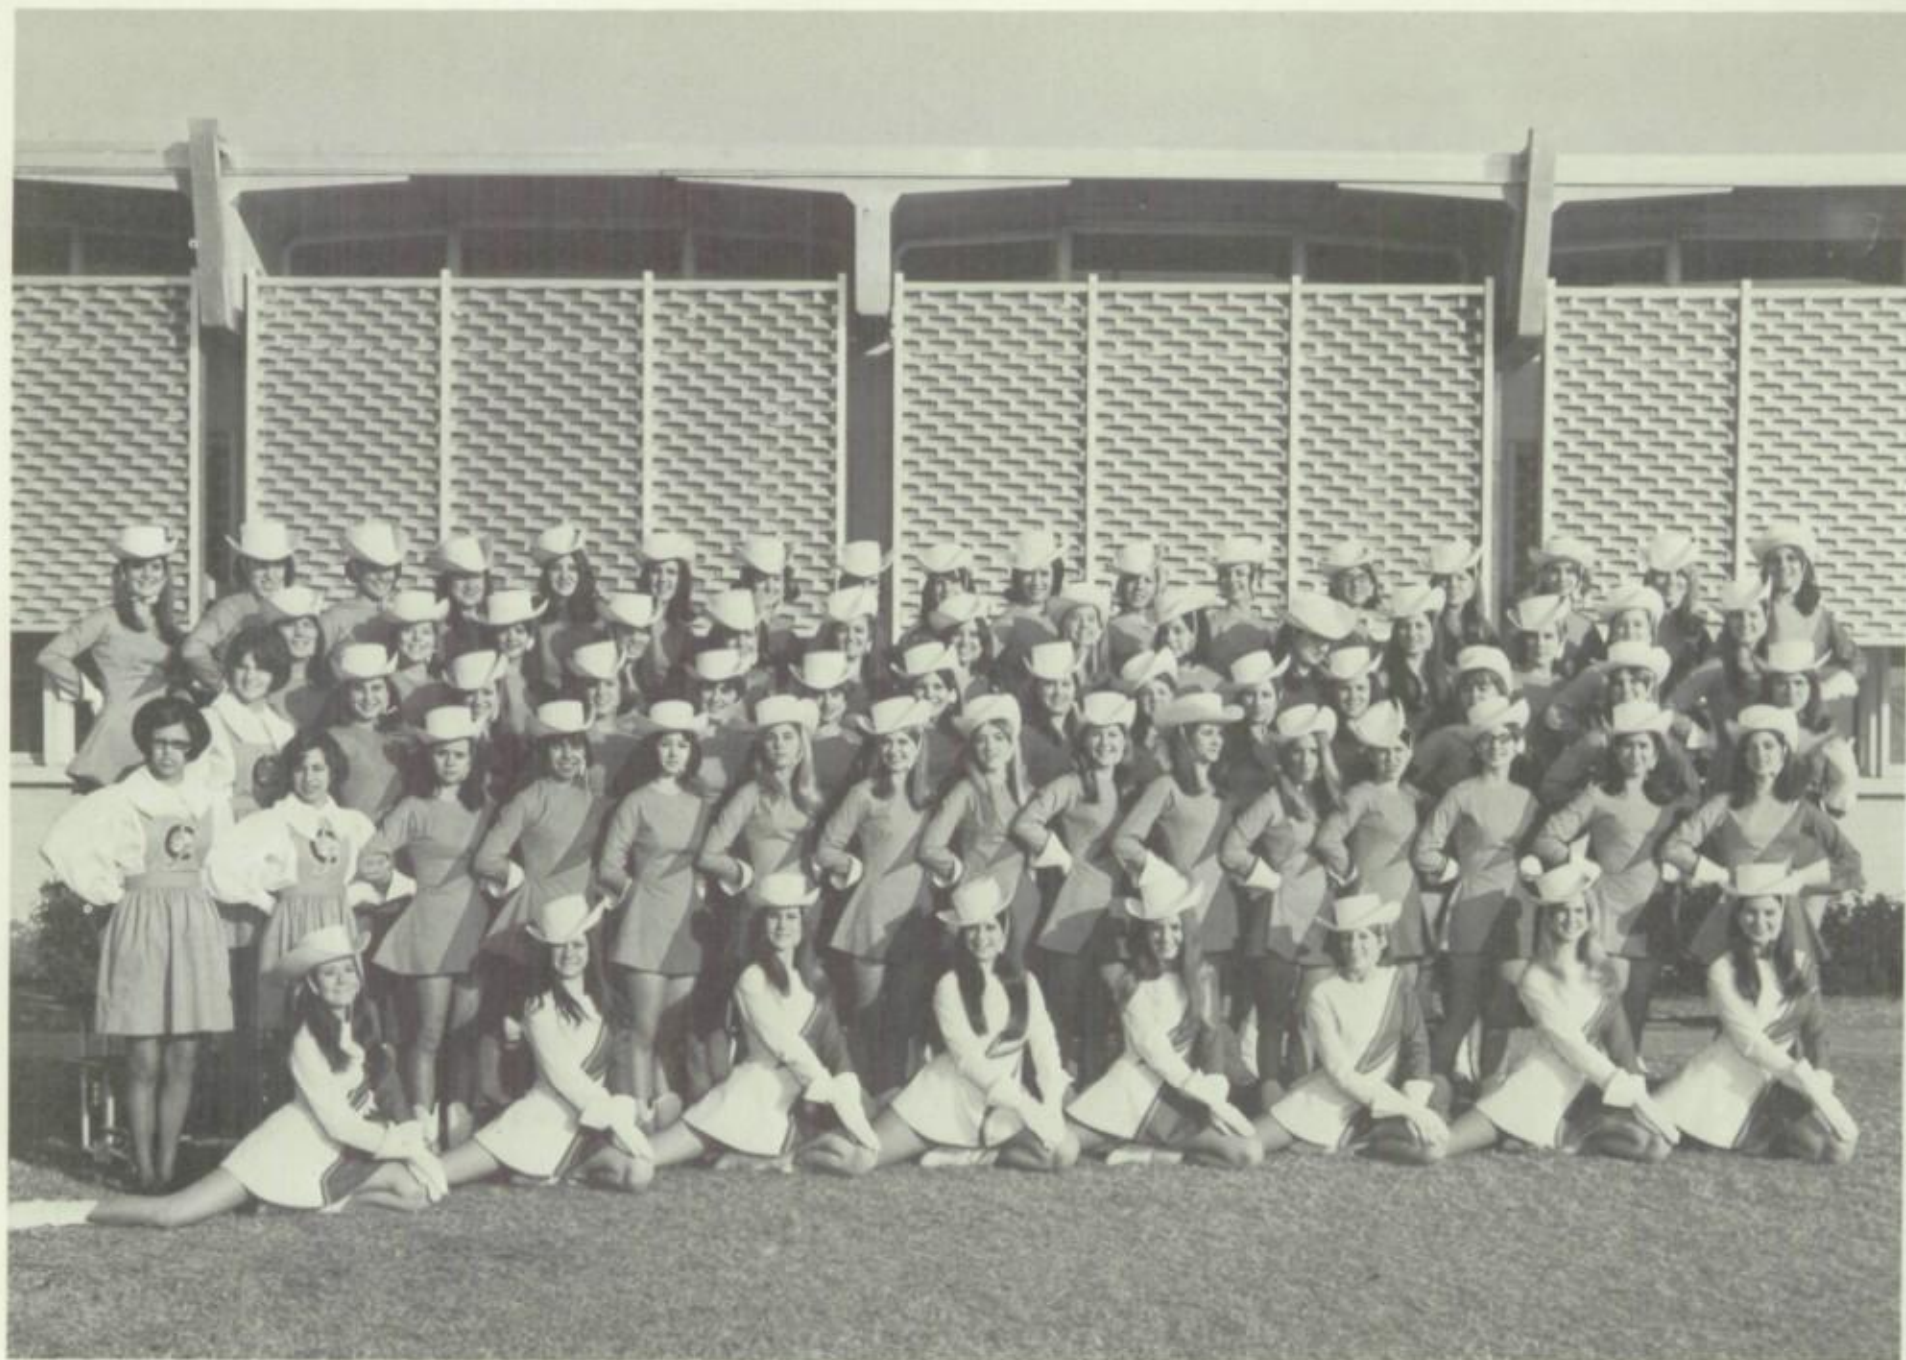

So, we tip our hats in farewell to our beloved D. W. Carter and turn slightly to catch a glimpse of our reinforcements moving into our vacant spaces.

Senior drill team members help promote spirit at assemblies.

Drill team stands at attention, ready to go on the field.

The Texas Junior Classical League also publishes a newspaper, the *Torch*, which relates news of the different Latin clubs of Texas.

The purpose of the members of the David W. Carter Junior Classical League is to broaden their knowledge of ancient Greece and Rome through the study of Latin. The interest and study of Latin as a living language are promoted nationwide during Latin week.

An initiation party for the new members is held each year at Pizza Inn. The initiates come wearing the traditional Roman toga. The event of the year is the Texas Junior Classical League Convention which is held at Central High School in San Angelo, Texas. Contributing for the needy on Thanksgiving, caroling at Veterans' Hospital at Christmas, sponsoring a "teacher's appreciation" coffee, and honoring Miss Saturnalia and outstanding Latin students at a spring banquet were a few of the annual activities of the David W. Carter JCL.

The JCL sponsor is Miss Paulette Gavin.

New initiates enjoy banquet at Pizza Inn.

A slave sale is an annual part of initiation.

Future Business Leaders of America

The 1969-70 officers of F.B.L.A.

The purpose of F.B.L.A. is to further students in the knowledge of business relations.

They sponsored an underprivileged family for Christmas. They also had a party. During the spring of school they had a picnic. At the first of the year, the F.B.L.A. bought a dictaphone for the Business Department.

In the spring the most outstanding students in business courses attend a convention sponsored by the Interscholastic League.

Future Teachers of America tries to interest young men and women in education as a career. This year, along with many other fun and interesting activities, the members were able to try out their teaching abilities by tutoring for the Birdie Alexander Elementary School, D. A. Hulcy Junior High, and the Y.M.C.A. This was just one of the ways they are prepared for the future.

An F.T.A. member tries her skill of teaching others.

With the help of F.T.A., children are learning more.

The Reserve Officers Training Corps, Junior Division, at David W. Carter High School, is organized as the 21st ROTC Battalion, otherwise called the Corps. The battalion is composed of five companies, with each organized in line with an Army Infantry unit to allow for a chain of command. Additionally, the battalion is commanded by the cadet Battalion Commander, who has a Headquarters composed of Staff Officers and Staff Instructors.

The officers in the Corps are normally third-year cadets, while the noncommissioned officers are second-year cadets. The companies are commanded by cadet Captains, with Lieutenants as their Platoon Leaders, while the Battalion is commanded by a cadet Lieutenant Colonel.

The ROTC program has many goals, with the primary aspect to allow a young man to acquire pride and confidence in himself and his country, and to attain the level of leadership necessary to become a leader in his community. The program is not designed to produce soldiers, but only to provide young men with the fundamental knowledge of basic military subjects if and when they enter Service. The greatest goal is good citizenship, which is enhanced through the requirements of the program.

The Carter ROTC program is extremely active, and performs in the many activities of the school. Members of the Corps also volunteer to help in maintaining order in the school building, and raise the United States and Texas Flags daily.

The cadets work hard to better themselves, their school, and their community, but they also enjoy the Corps social activities, the Drill Team, and the Rifle Team competitions. Overall, if a young man wants to get involved and meet the challenge of becoming a better man, then the Corps is the place to be.

Carter Falls to Adamson

The Cowboys' first district game with Adamson was strictly defensive from start to finish. The first half was slow and filled with a sizable number of interceptions and fumbles. It was in the last seconds of the first half that a touchdown was put on the scoreboard, for the Leopards. But, the Cowboys were quick to make a comeback. After the second half kick-off Carter poured on its offensive strength to push to the Adamson thirteen. However, the drive was stopped by a penalty and the Cowboys had to settle for a field goal attempt. Richard Owens put Carter on the board with his three pointer, making the score 7-3. In the final quarter, Adamson made another TD and the game closed with Adamson 13 and Carter 3.

Cowboys Work as a Team

The Carter Cowboys rang up their first victory of the season with a smashing 47 to 6 victory over North Side of Ft. Worth. After the two earlier near wins with Denton and Adamson, the Cowboys roared out on the field to round-up the Steers. Carter broke loose early in the game and by the half was leading 34-0. Linebacker Paul Murphy started off the night by returning on interception 31 yards for a touchdown. Joe Rust then followed up with a 58 yard punt return. Not to be outdone, Dennis Ladd then scored twice — first on a 30 yard scamper with a screen pass, following with a 19 yard imitation of a bulldozer. Later in the game, Ladd picked up two more scores, along with 73 yards in 13 carries.

Cowboys Run Over Lincoln

"Set 'er up, Mac!"

The Cowboys played one of their strongest games of the season with a 23-14 victory over Lincoln. Carter gained 263 yards rushing in their match at Sprague Field. Steve Roberts first put Carter on the scoreboard on a five yard run, topping off a 62 yard drive in the first quarter. Richard Owens made the conversion, putting Carter in the lead 7-0. The third quarter showed Carter with two more touchdowns. Dennis Ladd scored from the four yard line. Joe Rust made the third touchdown by making a run from the one. The last Carter score of the game was made by Doug Perdue on a field goal from the 31st yard line.

Cowboys Outplay Kimball Outscores

In the big game of the season, Carter went up against fourth ranked Kimball. However, the Cowboys did not find Kimball's record at all impressive. The Cowboys went ahead early in the second quarter after guard Bill Wimberly recovered a fumbled punt at Kimball's 40. On the next play, Dennis Ladd hit into left tackle, cut to the sideline and ran 60 yards for a touchdown. Carter's hardhitting defense jarred four fumbles from the Knights. Two of them were turned into touchdowns. The second came early in the third quarter. Kimball was forced to fumble at their own 29 and Carter recovered. Three plays later, Ladd ran 25 yards for a score, making the score 19-14. The last Carter score came in the fourth quarter. Kimball was holding their breath till another Carter drive was broken in the last minutes of the game.

Cowboys Tame Bulldogs

The North Dallas Bulldogs were left stunned as the Cowboys left the field with a 46-20 victory under their belt. Carter opened the game with a 58 yard march down the field for a score. Left halfback Dennis Ladd gave Carter its 6-0 lead by scoring from the two. Richard Owens added the extra point to make it seven. Sophomore Joe Rust followed up with a touchdown with 3:53 left in the quarter. Ladd scored again in the second quarter from the three. Rust rung up two more touchdowns for Carter, both in the third quarter. Owens provided the extra points for all three TD's. Doug Purdue booted a 28 yard field goal in the fourth quarter. Steve Roberts also scored on the last play of the game. Two points had also been rung up for the Cowboys caught the North Dallas QB in the end zone early in the second half.

Carter Smashes Roosevelt

The Cowboys backed up their North Dallas victory with another win, this time over Roosevelt. By the half Carter was leading 20-0. Dennis Ladd led the Cowboy offensive with 192 yards in 32 plays and scoring three touchdowns. Dennis Padgett helped out running 103 yards in 15 carries, scoring one TD. After Roosevelt's initial punt, the Cowboys pushed down the field 67 yards for a score. Minutes later, Joe Rust recovered a fumble to set up Padgett for his score. Richard Owens kicked the extra point. A blocked punt set up the Cowboys again for a score, with Ladd making the TD. Richard Owens converted making the score 20-0. Ladd scored his third touchdown in the last seconds of the third, making the score 27-0. A Carter drive to the seven was held off by Roosevelt and the game closed 27-0.

Bisons Stampede Cowboys

"Charge!!!"

"Just one more yard!"

Carter was foiled in its attempt to defeat the Sunset Bisons this season. The Cowboys went ahead early in the game with a five yard fumble recovery by David Wilkins. Sunset pulled ahead later in the first half. Carter then came back in the second half with two touchdowns. Dennis Ladd was responsible for both of these. The game ended with a last-ditch effort by Steve Landrum for another score. However, the attempt was unsuccessful and the Bisons left the field victorious. When they ended, the Cowboys had 18 points to their credit, Sunset 27.

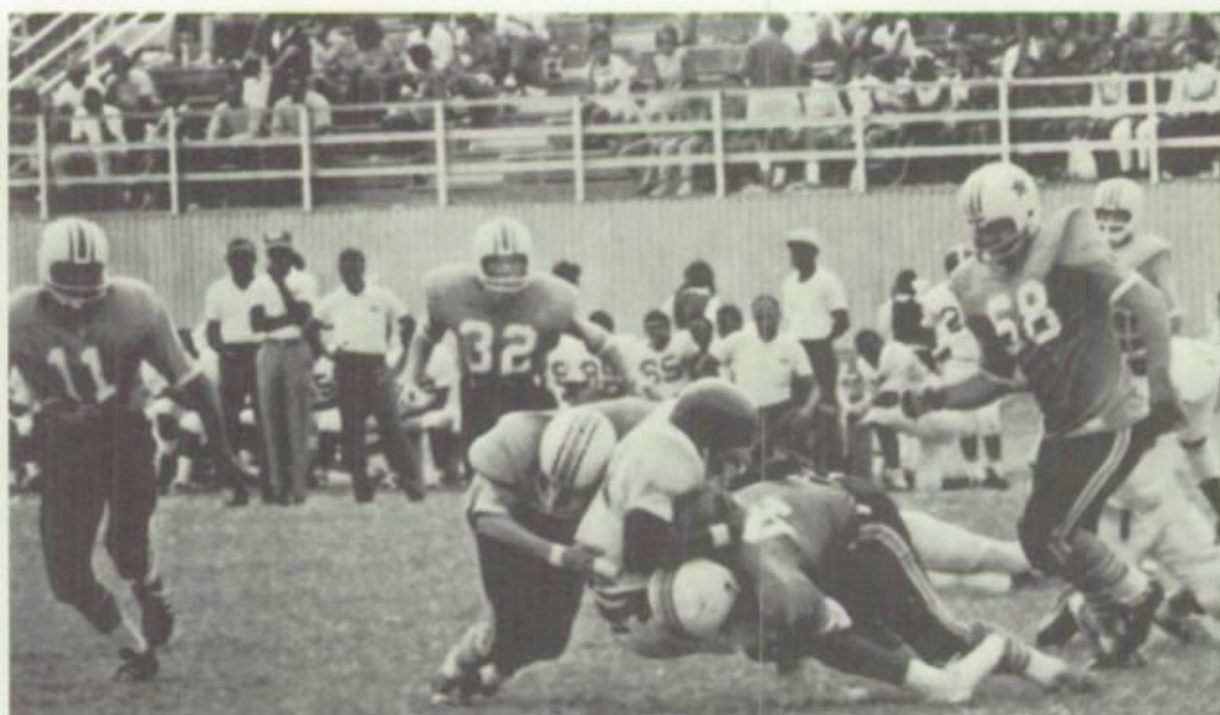

Cowboys Battle S.O.C.

It was the passing arm of S.O.C.'s Billy James that defeated the Cowboys 26-6. However, the Cowboys did their best to down those passes. At the half the Golden Bears were barely holding a lead with a 6-0 lead. S.O.C. broadened their lead with three touchdowns in the second half. Late in the second half the Cowboys in a last effort made their score. Sophomore Joe Rust connected with Steve Roberts on a ten yard pass. Roberts made the TD bringing the score up to Carter 6 and S.O.C. 26. The homecoming game closed at 26-6.

In their last game of the season, the Carter Cowboys lost a hard-fought battle to Woodrow Wilson's Wildcats. Carter came out of the game with the best record against the Wildcats. Doug Perdue first put Carter on the scoreboard with a 41 yard field goal. Randy Baker broke up the Wildcats' first threat by recovering a fumble in the endzone. Carter then marched down the field, 80 yards in ten plays, ending up with Dennis Ladd making a 12 yard run for the touchdown. At the end of the first quarter, Carter was leading Woodrow 9-0. With 1:38 left in the game, Ladd went for a second touchdown around the left end. This pulled Carter within 12 points of Woodrow, closer than any other opponents could come. When the game closed, the score was Woodrow Wilson 34, Carter, 15.

Hustling Cowboys Never Say Die

Our '69-'70 David W. Carter basketball team is definitely the most dedicated, determined team Carter has even seen. Although their overall record of 5-23, and district record of 1-15 are not really impressive, their true fighting spirit takes all the honors. The Carter Cowboys fought hard and long in each close ending game. Their spirit and determination never lagged. The Cowboys brought home a consolation trophy and an All Tournament trophy awarded Mark Dickens from the Athens Tournament. Also, in pre-season play, two Cowboy scorers, Jimmy Henry and Jimmy Jacobus, received All-Tournament trophies in the Kimball Tournament. Coach Dickens and his Cowboys have earned the respect of all for their display of Carter's true fighting spirit.

Closing

There are doorways
I haven't opened
and windows
I've yet to look through.
Going forward
may not be the answer,
maybe I should go back.

*In a world of turmoil and dissent,
Hope is the only truth
In a vanished dream of peace.
I am given the knowledge,
And the chance to evolve
To something better . . .
But will I?*
